## Review Financial Statements 10X faster

### Auto-detection of errors

- ✓ **Auto-detection** of arithmetic, mapping and consistency errors
- ✓ **Automated comments:** Nexly generates comments for each error and adds them to PDF
- ✓ **Built-in guide:** Supporting your junior reviewers through the process

[Accelerate review](#)

## Supercharge Your Team

### Be the first to leverage AI

- ✓ AI assistant trained on financial reporting standards, local laws and EU directives
- ✓ Ask any question about report under review
- ✓ Ask any question about financial reporting standards

[Try it now](#)

## 100% Compliant

### Built-in note library

- ✓ A database of financial statement note disclosures templates
- ✓ Modules for IFRS, US GAAP, LUX GAAP and other local GAAPs

[Try it now](#)

## Improve Collaboration

### Advanced PDF commenting solution

- ✓ Attach back-up files in the comments
- ✓ Record your screen to explain the errors in the report
- ✓ Record audio comments
