GOVERNANCE.COM: YOUR PREMIER LOW-CODE PROCESS AUTOMATION PLATFORM

We are a specialist FinTech and global leader in data governance and process automation. Our mission is to help you redefine today's processes and data governance management for tomorrow:

- A leading FinTech for the fund management industry, active in 85 countries
- Serving Tier 1 clients (including TMF Group, Apex Group, Credit Suisse, BNP Paribas Securities Services)
- Benefits reported within six weeks

Offering a process automation platform that:

- Uniquely integrates with complex and siloed IT architectures;
- Is adaptable and fast to implement;
- Builds on 1st-hand experience from the banking world and ten years of dedication to developing technology solutions.

Fund Administration, Fund Management Services or Depository Services?

WE HAVE YOU COVERED!

By automating your processes, workflows and data governance for your regulatory, compliance and risk management operations, we enable you to:

- Save time and money;
- Remain agile and modern;
- Offer the best client experience.

REDEFINE YOUR APPROACH TO DIGITALISATION:

Break your project down into bite-sized pieces, no matter its scale. Start your digitalisation straight away. Taste the benefits immediately.

One process at a time

Differentiate yourselves

Work with us to build simple solutions to your complex challenges. Turn your issues into your competitive edge.

Co-create with a specialist

Our experts become your experts. You and your team are the specialists for your company. We co-create to develop the best solutions unique to your specific needs.

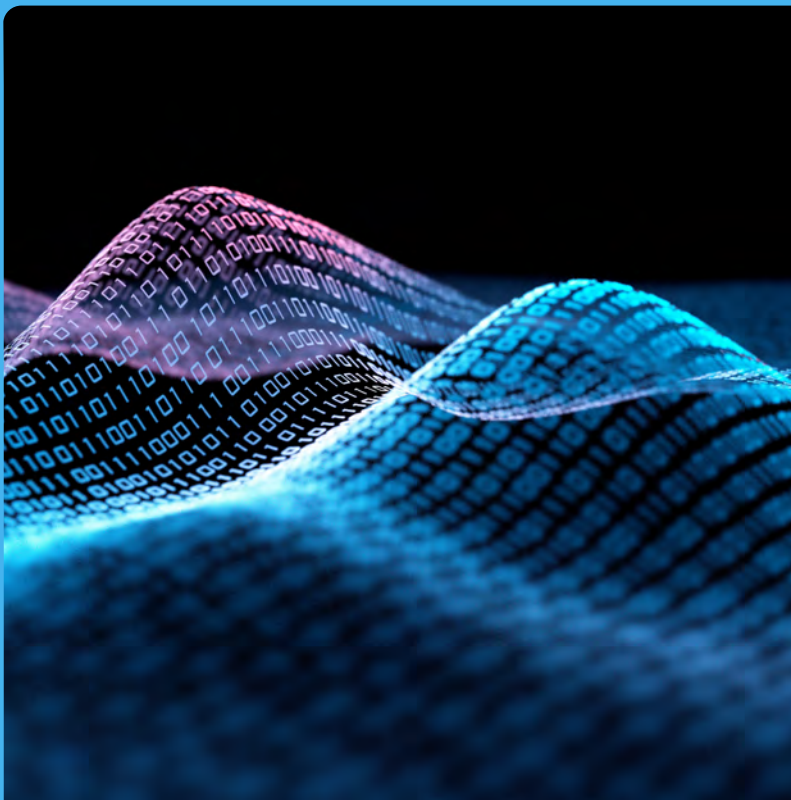

FUND ADMINISTRATION SERVICES?

No more juggling your many time-sensitive duties.

- Investor onboarding authorisation
- Transaction monitoring processes
- CoSec operations, e.g. Board meetings

Gain time and money through automated onboarding processes to replace your manual internal process. Enjoy peace of mind with improved, more robust operations to focus on your core client business.

FUND MANAGEMENT COMPANY?

No more data overload.

With Governance.com,
automate your:

- Control framework
- Oversight of 3rd party due diligence
- Corporate Governance operations

Save money and free up your time for value-added tasks by automating your repetitive manual processes with automated workflows. Ensure deadlines are met, and stakeholders are happy. Gain oversight of internal processes to reassure the regulators.

DEPOSITARIES

No more time-consuming struggles with oversight duties.

With [Governance.com](https://www.governance.com), automate your:

- Asset register & verification process
- Audit confirmations
- Transactions oversight, e.g. cash flow monitoring

Know the status of all your data and checks anytime, anywhere. Mitigate risk by gaining complete oversight and control of your transactions.
