LPEA: From an Idea to a Reference

by *Jérôme Wittamer, President of LPEA*

"LPEA is now in a strong position to defend and support the growth of its industry. Over the course of 2014, the association's members conducted a strategy exercise with this in mind, which the association is now executing. [Here is an overview of the key items the strategy implies.](#)"

LPEA Roadshow in Zurich

The Luxembourg Private Equity Cluster: a well-oiled machinery of different competencies.

[Private Equity in Luxembourg](#) (2014 ed.)

LPEA visited Zurich last week to present Luxembourg's private equity industry and to showcase how professionals in both Switzerland and Luxembourg are exploring the features of both countries. Service providers and investors such as Mangrove Capital Partners, Breega Capital, Constellation Capital and ResponsAbility Investments discussed operating models, the Limited Partnership Regime, AIFMD, EuVECA and the advantages of doing business in Luxembourg.

Promoting Luxembourg at Super Return International

Photo: Susanne Weismueller (ALFI) and Luis Galveias (LPEA)

Luxembourg was present at Super Return International 2015 in Berlin with a sizable delegation of participants and exhibitors. LPEA, together with ALFI, promoted Luxembourg's alternative investments industry with a joint booth.

By the end of the event, LPEA and ALFI drew the lucky winner of an iPad mini which was awarded to a Paris-based participant.

IFRS: Now the rules are in place for Private Equity

«The introduction of the investment entity exception to consolidation is a key achievement to reconcile IFRS and Private Equity. It is the recognition by the IASB that the key driver for Private Equity is the fair value measurement.»

[PwC : Transparence du monde financier : la quête du Graal s'appelle MiFID](#)

«MiFID 2, votée en 2014 mais d'application en 2017, a pour objectif de lever le voile sur les zones restées opaques. Cette révision s'applique à tous les instruments financiers. C'est donc toute la chaîne de valeur que la directive va révolutionner : palette de services, conception et commercialisation des produits.»

About LPEA

The Luxembourg Private Equity and Venture Capital Association (LPEA) is a member-based, non-profit trade association established in 2010. LPEA represents, promotes and protects the interests of the Luxembourg private equity and venture capital industry.

LPEA's role includes representing the interests of the industry to regulators and standard setters; developing professional standards; providing industry research; professional development and forums, facilitating interaction between its members and key industry participants including institutional investors, entrepreneurs, policymakers and academics.

LPEA's activities cover the whole range of private equity, from venture capital (seed, start-up and development capital), to buyouts and buy-ins.
